**DETAILS:**

Hours: Coverage is continuous.  
Split Coverage: Stop/Start coverage.  
Guest Comments: Optional and by request.  
Highlights: The best moments of the entire day set to music, vows and speeches.  
Music Selection: Option A: You chose songs and sign a copyright release.  
Option B: We chose and buy the songs from musicbed.com. Note: 95% of all musicbed songs are not mainstream songs.  
Flash Drive: Contains all unedited footage captured plus highlights and trailers.  
Blu-Ray: Based on your package, it could include highlights, short and full versions, guest comments, trailers, rehearsal, photomontages and credits.  
Short vs Full Versions: Short includes the most important moments and full includes all the important moments.  
Wedding Trailer: A 2-3 minute sneak peek produced 3-4 weeks after the wedding.  
Pre-Wedding Interviews: We ask a few questions to the couple or parents or wedding party. We use these audio clips during the highlight versions.
